WARNING/IMPORTANT

1. Read the use and care guide thoroughly before using the shaver.
2. Use the shaver only for purposes described in this use and care guide.
3. For hygienic reasons, the shaver should not be shared with others.
4. If signs of damage are visible, do not use shaver and notify email support at support@barbasolelectric.com.
5. Do not use if skin is red, irritated, inflamed, infected or blistered.
6. This shaver is for external use only.
7. This shaver is for household use only.
8. Do not place or store the shaver in direct sunlight. Store only in a cool, dry place.
9. Keep the shaver out of reach of children.
10. The hair removal shaver should not be rinsed all over, and the razor head can be taken down for water washing.
11. The mesh cover is ultra-thin constructed and precision machined; do not press or knock with any sharp object, otherwise the mesh cover may be damaged to cause skin scratch.

BATTERY CARE

This shaver is designed for use with 2 (two) AAA batteries (not included). If the shaver motor slows down in operation or becomes less efficient, replace the batteries. Remove batteries from the appliance if not used for over a month. Safely dispose of batteries at a recycling center.

HOW TO USE

1. Never allow water or other fluid present in the shaver.
2. The shaver gives the best performance when the skin is dry, for this reason it is recommended to shave prior to a bath or a while after a bath.
3. Push the switch upward to use this product. Place the shaver razor head on the skin for a quick move not only for a circular motion but also for a non-cyclic motion.
4. The neck hair can also be shaved in the same way.
5. After a shave, restore the cover.

CARE AND MAINTENANCE

1. Remove the protective cover, then pull up the razor head, and clean the hair on the shaver body with a brush(once in a week).
2. After cleaning, fix the razor head in place and restore the protective cover.

ENVIRONMENTAL PROTECTION

The battery used with this trimmer is equipped with contained substances which may result in environmental pollution.

Do not dispose of the trimmer with household waste. Please properly dispose at your local recycling center.
