When using an electrical appliance, basic precautions should always be observed. Read all instructions before using this appliance.

DANGER

To reduce the risk of electric shock:

1. Do not reach for an appliance that has fallen into water. Unplug it immediately.
2. Do not charge this unit near a tub, toilet or sink.
3. Do not submerge in water.

WARNING/IMPORTANT

1. Read this Use & Care Guide thoroughly before using the device.
2. Use this appliance only for purposes described in this instruction book.
3. For hygienic reason, this appliance should not be shared with others.
4. This appliance is not intended for use by persons (including children) with reduced physical sensory or mental capabilities, or lack of experience and knowledge with appliances of this type.
5. Regularly check the blades condition, if signs of damage are visible, do not use.
6. Do not use if skin is red, irritated, inflamed, infected or blistered.
7. Blades may wear over time and may require replacing.
8. For household use only.
9. Do not place or store this appliance in direct sunlight. Store only in a cool dry place.
10. Keep this appliance out of reach of children.
11. Do not charge this appliance where the temperature is below (32°F), or higher (100°F), or where it will be exposed to direct sunlight or a heat source, or near excessive moisture.
12. Use the included charging cord only.
13. Dry this appliance completely before charging it.
14. Keep the charging cord away from water and handle with dry hands.
15. Grip the plug when disconnecting it from an AC outlet. Tugging on the charging cord may damage it. Store the cord in a dry area where it will be protected from damage.
16. Do not pull, twist, or severely bend the cord.
17. Do not wrap the power cord tightly around the appliance.
18. Do not take the housing apart.

CHARGING

1. Ensure that the appliance is switched off.
2. Ensure the appliance is in a stable position.
3. Connect the charging cord on the charging connection of the appliance.
4. Connect the other end of the charging cord to a USB charger.
5. Regular shaving will require 8 hours charge time, for 60 minutes run time. Usage time may decrease over time.
6. Do not overcharge, as this will damage the battery life.
7. Ensure this appliance is powered off prior to plugging in the charging cord.

HOW TO USE

1. Switch on by pushing the on/off switch.
2. Hold the single blade at a right angle to your skin.
3. Apply gentle pressure as you move the single blade across your face, stretching the skin with your free hand. Move the single blade back and forth to achieve desired result.
4. Applying excessive pressure will not result in a closer shave and may cause irritation or skin damage.

HOW TO CLEAN

Clean the appliance after each use to ensure continued performance.

DO NOT submerge the unit in liquid.

DO NOT use abrasive liquids or detergents.

DO NOT clean while attached to charging cable.

Wipe off any moisture from the appliance with a soft dry cloth.
